Thank you for participating in Bike 4 Bikes! Every $210 raised equals one bike that goes to a very deserving Zambian. So, how do you help turn Africa around one bike at a time?

1. Support your child and make sure he/she brings their bike to school
2. Get sponsors to pledge a certain dollar amount per lap
3. Participate in the bicycle ride and tally how many laps you have done
4. Collect your pledges from friends and family
5. Turn in the money to your teacher
6. Know you are making a difference on the whole other side of the world!
